

NEWS RELEASE

For immediate release - September 2018

JENN FORGIE AND IMAGE GROUP HAVE BEEN RECOGNIZED WITH A&W'S AWARD OF EXCELLENCE FOR 2017

The A&W Supplier Award of Excellence winners are determined through evaluations submitted by A&W's warehouse, accounting and purchasing departments. Responsiveness, innovation, on time deliveries and professionalism all factor into the performance rating.

"Congratulations Jenn", says Claire Grayston, Brand Services Coordinator, "You always go above and beyond in making sure we have the best selection of options to choose from, at the best possible cost, and I appreciate working with such an energetic partner."

About Jenn Forgie and Image Group Inc.

In her fifteen years as an Account Manager with Image Group, Jenn has excelled as a proactive and creative resource to her clients. She is an advocate for innovative, quality product choices that uniquely support her clients key messaging, objectives, goals and brand presence. She encourages her clients to consider eco-minded product solutions whenever possible.

Established in 1992, Image Group has 20 employees including 12 Account Managers. Awarded Distributor of the Year for Western Canada from our PPPC industry, Image Group is also a certified ClimateSmart company.

About A&W Food Services of Canada Inc.

In 1956, the first A&W drive-in restaurant in Canada opened on Portage Avenue in Winnipeg. Serving a delicious combination of great-tasting burgers, onion rings and frosted mugs of famous A&W Root Beer® - A&W proved to be an instant hit. Since then, A&W has continued to grow, expanding into over 800 locations from Vancouver Island to Newfoundland. They are a Platinum Member of Canada's Best Managed Companies.
